Fall is in the air and the holidays are just around the corner. It's great to see the recent event planning get under way. I'm thrilled to see some new leadership with our great city; Mike Nehl and Jeff Zuber have started to rally our local businesses around recreating a new holiday tradition, "December in Duvall". They hosted a preliminary meeting at The Grange Café this past Tuesday, October 26th. The turnout from local businesses wanting to participate more in this holiday season was immense.

That being said, if your business is having a holiday event, please email the details to info@duvallchamberofcommerce.com.

I'm very excited about our slated 2011 board. Please join me at The Grange Café this Thursday, November 4th, to vote in our new board members.

If you have any suggestions for the Duvall Chamber of Commerce, please feel free to contact me anytime at (206) 817-4710, or marcelinamcginis@cbba.com. I want to hear from you.

Member-to-Member Benefit Program

Shopping locally is one of the best ways to build a stronger, more prosperous community. The Duvall Chamber would like to implement a Member to Member Benefit program. To promote shopping locally your business would give a discount to Chamber members who do business with you. You decide what the specifics of your offer would be. The discounts would be published in our monthly newsletter.

If you would like to offer your fellow Chamber members a benefit for doing business with you and encourage shopping local, please contact the Chamber office at 425-788-9182, or email in-fo@duvallchamberofcommerce.com.

Help invest in your community's development. Every dollar spent at a locally owned business generates about three times more regional economic activity than a dollar spent at national chains.
