**Member-to-Member Benefit Program**

Shopping locally is one of the best ways to build a stronger, more prosperous community. The Duvall Chamber has implemented a Member to Member Benefit program, which promotes shopping locally. The way this program works would be for your business to give a discount to Duvall Chamber members who do business with you. You decide what the specifics of your offer will be. The discounts are published in our monthly newsletter.

If you would like to offer your fellow Duvall Chamber members a benefit for doing business with you and encourage shopping locally, please contact the Chamber office at 425-788-9182, or email [info@duvallchamberofcommerce.com](mailto:info@duvallchamberofcommerce.com).

Help invest in your community's development. Every dollar spent at a locally owned business generates about three times more regional economic activity than a dollar spent at national chains.

# Membership Renewal & Upcoming Directory

Well it looks like we are well on our way to creating our new 2011-2012 Duvall and Carnation Chambers of Commerce Business Directory. All ads should have been purchased and artwork submitted.

The new directories will be handed out at both the Duvall and Carnation Tree Lightings in December. Make sure you stop by and get yours. In addition they will be delivered to you via US mail.

This is a great reference guide for Duvall and Carnation residents, and a wonderful opportunity for our businesses to be showcased. If you did not place an ad this year, please consider it for next year. It is a great marketing tool at a great price and is mailed to over 7600 addresses in the 98019 and 98014 zip codes.

If you have any questions, please contact Tracy Lewis at 425-941-3212 or Sandy DuVall at 425-765-1546.

The event will also feature a recent innovation in social networking referred to as “open space” (see [www.openspaceworld.org/cgi/wiki.cgi](http://www.openspaceworld.org/cgi/wiki.cgi)) to facilitate tapping group wisdom and identifying new business ventures. The overarching vision of the fair is to stimulate our local economy and spark new vitality, a new livelihood in the face of challenging economic times.

Participants seeking a job can find: (including, but not limited to)

- Several local businesses offering on-site hiring and opportunities
- Resume and interview coaching
- Business card creation (go home with cards!)

Participants wanting to explore new livelihood potentials can find sessions about:

- How to prepare and start a new business
- Expanding the limits of what work means, taking control of and exploring the idea of “free agency” – generating income from your gifts
