Family run Country Rose was established in 2000 in the little town of Carnation. It is located next to the Stillwater Store on Hwy 203. They offer a wide variety of products and services. Owner, Rose Warren, went to beauty school in Lynnwood and began the company shortly after. She specializes in foils and hair colors with up-to-date hair cuts. They cater to men and children, as well. Her mom, Judy Thomas, cuts hair there also and joined the team in 2004. Dale Snyder works there part-time doing nails and pedicures for a total salon and spa experience. Rose has a new product line for straightening hair that will leave you with incredibly shiny, manageable hair that lasts for up to three to four months.

Prices are also very affordable, hair cuts start at \$16.00 for men and \$22.00 for women and all cuts are complimentary with a perm or hair color.

Hours of operations are anytime between Tuesday through Saturday (they can accommodate accordingly) and walk-ins are welcome. The number to make an appointment is 425-844-8816. Customer, Kelly Backstrom, comments: "I have been going to this salon since 2000 and I always receive a lot of compliments on my hair. If you want a fun atmosphere and to become part of the Country Rose family, swing in for a hair cut or color anytime. "

Oh My Gosh!

Where has the time gone?

This month's speaker is from the King County Business Recycling Solid Waste Division.

Her presentation is about how to save money and be greener. She will answer questions, conduct on site visits (if invited), and help us use recycling to reduce our carbon foot print.

If we have time Kris Wentworth from PSN will lead us in a fun networking game!

The Dirty Paws Dog Walk is getting close and our fabulous committee is getting ready to put on an amazing event. Please go to the DuvallDirytPaws.com website and there is a link you can use to forward the flyer to your dog-loving friends! Also you could post it on your Facebook and start Twittering about it. We already have walkers registered!

We could use a few more volunteers the day of the event.

Next month we have our own Steve and Lee Ater from

Think2a as speakers. They will be talking to us about the importance of branding your self... and maybe a little about how we re going to brand ourselves as a community! Hope everyone is having a wonderful summer!
